3. Open Public Hearing for Administrative Cost Cap Waiver

a. Mr. Bender presented that the District must conduct a public hearing for public comments on a waiver of school code (Section 17-1.5) requesting the General Assembly to allow the district to waive the limitation of administrative costs due to circumstances beyond its control. In previous years the district employed a single person in a combined superintendent/principal position. A portion of the salary and benefits for this combined position would not have been reported on the administrative costs worksheet. Starting in the 2017-2018 school year, the district employs a superintendent and a principal, with all of the lead administrator's costs being reported on the worksheet. As a result of this change, the district's administrative costs for FY 2018 are exceeding those for FY 2017 by more than 5% of the limitation.

**ACTION:** Mrs. Lindsay made the motion to open public hearing regarding Section 17-1.5 of the School Code, seconded by Mrs. Georges. Motion carried with all aye votes.

*\*\*Opportunity for public to comment on administrative cost cap waiver (Section 17-1.5) was provided, there was no discussion. Additionally, there was no correspondence received.*
