

Kids ages 5-11 can now receive the COVID-19 vaccine.

We are holding a clinic for kids ages 5-11 to receive the Pfizer COVID-19 vaccine. We are happy to answer questions if you are unsure if your child should get vaccinated.

Saturday, November 13 | 9 a.m. – 3 p.m.

Saturday, November 20 | 9 a.m. – 3 p.m.

OSF Medical Group - Endocrinology & Diabetes
1800 N. Knoxville Ave. | Peoria

Scan the QR code above to schedule your child's appointment in OSF MyChart or visit osfhealthcare.org/vaccine.

This vaccine requires two doses given 21 days apart. You will need to schedule an appointment for your child to receive their second dose in December before leaving their first-dose appointment.
